Very Nice team Handover process was very efficient and the amount of dedication shown by you guys beyond the call of duty is very amazing. Keep up the good show.

All staff members at project site as well as at corporate office have been courteous and have been trained well to behave with the customers.

Handing over process was very smooth and all process were explained very well.

Overall experience has been good and I have been recommending this company/ project for investment to lot of people known to me and two people have already purchased flats on my recommendation.

Hello,
Everything is excellent. The Staff attended very nicely & very sincerely, Friendly staff. We were thinking to give the flat on rent but after taking possession today, we dropped the idea of rental basis. We are planning to shift as soon as possible. Our children will enjoy more here, just fingers crossed. God bless and keep it up.

The handover experience has been really very good.

The process has been seamlessly designed keeping in mind the "customer first" policy.

The Staff was very courteous. The upkeepment of the society is visibly very clean & pleasant. I hope the same is maintained over the years.

With Good wishes,

Manpreet Kaur,

Very nicely maintained premises. Courteous and friendly staff. They co-operated and explained everything. Keep it up.
